Salisbury Coastal Trails is offering an adopt-a-bench program along the newly constructed Old Eastern Marsh Trail (located parallel to Rt 1-Bridge Road). Benches are four foot long granite blocks. These benches will be permanent fixtures on the rail trail and adoption of a bench will be a one-time donation for the lifetime of the bench. The cost of adopting a bench will be \$1,500. This contribution will help fund maintenance of the trails.

Adopting a bench will allow you to honor or memorialize someone, through the engraving of the top of the granite block. For more information, please contact Leah Hill at salisburytrails@gmail.com
